

FRIEND OF THE LAA

AAAI Logistics is a Division of the AAAI Group, a leading specialist recruitment consultancy with offices in Sydney, Brisbane, Melbourne and Perth.

Services include Executive Search, Advertised Search and Selection, Database Search and Internet Advertising for senior executives, managers and key staff across specific industry sectors.

AAAI carry provide the specialist task of identifying, attracting, recruiting and retaining quality personnel who are appropriate for your team and your culture, relieving you of the usually timely, costly and distracting exercise involving too many key personnel. AAAI invest the time to understand your environment and your business drivers, so that the executives we introduce represent the standards that your company embrace.

Whether you are seeking a Design Engineer, an Operations Manager or a new Chief Executive, AAAI Logistics provide certainty and professionalism through a robust performance guarantee that is aligned to the calibre of candidates you are seeking for your business AAAI represent.
