Management Consultants that actually deliver! It's true. At Logistics Bureau we consistently deliver the agreed project outcomes!

For businesses looking for increased Competitive Advantage, Logistics Bureau provides direction and support in driving improved profitability, improved customer service and increased Supply Chain flexibility.

Logistics Bureau Services

Logistics Bureau provides a wide range of services as depicted here, from assisting in developing Supply Chain strategies, right down to implementation. See also [Videos - On Line](#)

An indication of the range of companies and industries covered can be found at [Logistics Bureau - Customers](#)

We are very proud of the fact that our business is 100% demand driven, via repeat business, referrals and inbound enquiries. To see what some of our customers say about us, please visit [Logistics Bureau - Testimonials](#)

Logistics Bureau Resources

With over 35 specialist consultants available, Logistics Bureau is large enough to handle any Supply Chain and Logistics problems, but small enough to provide really great service.
