

## **Australasian FreightLogistics**

**The Intermedia Group. Established in 1968, publishes the essential media for the supply chain, distribution, transport and logistics industries**

### **End to end supply chain information... every Day**

For close to 40 years, MHD Supply Chain Solutions magazine has been bringing its readers leading-edge supply chain management information from the world's leading thinkers and practitioners, together with in-depth case studies and the latest innovations in equipment and software. MHD is published bi-monthly. For subscription information visit [www.intermedia.com.au](http://www.intermedia.com.au).

Its dynamic stable mate, Australasian Freight Logistics, covers all that is happening in the world of freight, cargo and transportation. With detailed company profiles, news on infrastructure development and rules and regulations, it is the essential guide for those who need to get their products from source to customer quickly and efficiently. Australasian Freight Logistics is published bi-monthly. For subscription information visit [www.intermedia.com.au](http://www.intermedia.com.au).

In conjunction with the two magazines, [TandLnews.com.au](http://TandLnews.com.au) delivers the latest news and information on companies, government and industry as it happens. TandLnews.com.au publishes a twice weekly e-newsletter which is free to subscribe to. TandLnews.com.au website features news, industry resources, job board, events information and more.

### **The voice of the industry**

MHD, Australasian Freight Logistics and TandLnews.com.au have the valued support of the leading associations in the field for many years including Logistics Association of Australia (LAA) • Australasian Production and Inventory Control Society (APICS) • Refrigerated Warehousing and Transport Association (RWTA) • Automatic Data Capture Association (ADCA), Chartered Institute of Procurement Specialist (CIPS), Australian Logistics Council (ALC), Australian Federation of International Forwarders (AFIF) and various export, freight and government councils. Along with individual and corporate subscribers, this makes Intermedia's supply chain and logistics stable an unrivalled platform for those seeking to reach and communicate with a senior industry audience.

Intermedia, via its subsidiary Interpoint Events, also organises the leading supply chain trade show in Australasia, the Smart Supply Chain Technology Show, held alongside Smart Conference the premier industry conference for supply chain and distribution.
