

THE MATERIALS HANDLING SHOWS

Organised by

Australian
EXHIBITIONS
& Conferences

The **MATERIALS HANDLING SHOWS** are Australia's largest dedicated Materials Handling Trade Shows held annually in Melbourne & Sydney, alongside Australia's longest running workplace Health & Safety Trade Shows and comprehensive conferences. Organised by Australian Exhibitions & Conferences (AEC) Pty Ltd, these shows attract a combined audience of 20,000+ visitors each year using the support of an impressive database of quality decision-makers from around Australia.

The MELBOURNE & SYDNEY MATERIALS HANDLING SHOWS together with the co-located Safety Shows attract companies displaying the largest range of Materials & Manual Handling, as well as Workplace Health & Safety products and services from hundreds of major manufacturers and suppliers.

Seeking practical solutions and advice, thousands of materials handling and logistics buyers from all over Australia meet annually at Melbourne & Sydney each year. They will come to see, touch and operate the solutions of top Materials Handling and logistics providers. The show floor will feature manufacturing, warehousing, distribution, assembly, logistics, IT solutions and many more solutions for the supply chain.
