

## **Schenker to provide logistics for military conference**

Supply chain specialist DB Schenker has been appointed the logistics and service provider for the Land Warfare Conference taking place from 15-19 November in Brisbane.

Event organisers expect around 3,000 visitors and more than 300 exhibitors from military organisations and defence research institutions.

An estimated 20 tons of air freight as well as sea freight and dozens of truck loads will be moved to showcase the displays of exhibitors and various other stakeholders.

DB Schenker will provide tailor-made logistics services such as international and domestic freight forwarding, customs and quarantine clearances, transportation and on-site handling.

The Land Warfare Conference is a major event for users, providers, academics, designers and manufacturers to meet, present, share and exchange new and visionary ideas on land systems.
