

FRIEND OF THE LAA

Viking Group Holdings Pty Ltd (Viking) is an Australian transport, logistics and related services company which is privately owned and operated, and provides premium services to its client base across Australia. The organisation commenced operations in 1979 in Altona, Melbourne as a specialised heavy vehicle tyre supply and fitting service.

The business grew initially with provision of heavy vehicle maintenance services, in addition to tyre supply and fitting services. From the mid 1980's growth accelerated with the introduction of Viking Groups own transport fleet the Group has continued to grow via new business, expanding existing operations as well as acquisition.

Today, Viking Group employs over 250 people across Australia and has a turnover of over AUD \$100 million. It is currently comprised of seven Divisions, including one of the largest transport operators between the east and west coasts of Australia (Perth Freightlines), providing a range of services within the Australian transport sector:

- ✚ Viking Transport & Logistics
- ✚ Perth Freightlines
- ✚ Viking Express
- ✚ Viking Fleet Service
- ✚ Viking Towing & Salvage
- ✚ Viking Timber
- ✚ Trident Asset Management
